Statement from the Governor

The Laikipia County Statistical Abstract 2024 marks the eighth edition since the inaugural release in 2015, developed in collaboration with the Kenya National Bureau of Statistics (KNBS). This continued effort reflects Laikipia County's dedication to providing reliable, comprehensive data for evidence-based policy-making, planning, and budgeting.

Structured according to the Classification of Statistical Activities Version 2.0 (CSA 2.0), the abstract organizes data into five domains: Demographic and Social Statistics, Economic Statistics, Environmental Statistics, Governance Statistics and Cross-Cutting Statistics. This structure promotes comparability and efficient data sharing among development actors.

The publication continues to expand in scope, incorporating new and emerging data sets to meet the county's evolving development needs. It provides valuable insights for stakeholders across government, civil society, the private sector, academia, and the public enabling timely informed decision-making.

The key highlights include the steady growth of the Gross County Product (GCP) from KShs 41.5 Billion in 2013 to KShs 128.1 Billion in 2023, and the increase in County Own Source Revenue from KSh 608.5 Million (FY 2017/18) to KSh 1,072.4 Million (FY 2023/24). The County targets a GCP of KSh 400 Billion in the medium term through ongoing development efforts and performance tracking.

The County Government is committed to ensuring the abstract remains accessible to all stakeholders. Its utilization not only strengthens policy formulation but also helps identify further data needs, supporting continuous improvement of Laikipia's statistical systems.

We acknowledge the strong partnership with KNBS and the active collaboration of national and county government departments in data collection and validation. This partnership ensures high-quality standards and sustained development of the county's statistical capacity.

The Statistical Abstract 2024 will be widely shared locally and nationally as a vital tool for monitoring progress and guiding future development efforts in line with the county's vision: "An Inclusive County with a Sustainable Quality of Life."

A handwritten signature in black ink, appearing to read 'J. Irungu'.

H.E HON. JOSHUA IRUNGU
Governor, Laikipia County

Foreword

The first principle in the United Nation's Fundamental Principle of Official Statistics states that official statistics provide an indispensable element in the information system of a democratic society, serving the government, the economy, and the public with data about the economic, demographic, social and environmental situation. To this end, official statistics that meet the test of practical utility are to be compiled and made available on an impartial basis by official statistical agencies to honour citizens' entitlement to public information. It is within this internationally accepted norm embedded in the Statistics Act, 2006, that the 2024

Laikipia County Statistical Abstract (CSA) was produced.

In line with its mandate of collaborating with and assisting the county governments or any other institutions in the production of official statistics in the country, the Kenya National Bureau of Statistics (KNBS) collaborated with County Government of Laikipia to produce the 2024 Laikipia CSA. The 2024 Laikipia CSA is a single source of information that presents the official statistics produced by Ministries, Departments and Agencies (MDAs) both at the National Government and the County Government of Laikipia. This publication provides data series on various sectors of the economy at the county level for the period 2019 to 2023. The data is mostly from administrative records and sample surveys conducted within the period.

The production of the 2022 Laikipia CSA has gone through all the recommended stages of producing official statistics. The statistics generated were validated by the MDAs within Laikipia County both from National and the County Government. The data were reviewed by the technical team from KNBS and County Government of Laikipia.

The 2024 Laikipia CSA is categorized into an introductory chapter and five other chapters based on the classification of statistical activities undertaken by national and international statistical organizations. This classification follows the statistical subject-matter domains with five domains of: Demographic and Social Statistics; Economic Statistics; Environment; Governance Statistics; and Cross-cutting Statistics.

We welcome the readers to this publication and encourage positive critique aimed at improving the contents and quality of future publications. KNBS appreciates the collaboration that has resulted in the production of this publication which contains a comprehensive set of indicators that are useful for planning and policy formulation for Laikipia County.

Macdonald G. Obudho, MBS
Director General
Kenya National Bureau of Statistics

Acknowledgement

The successful compilation of the 2024 Laikipia County Statistical Abstract (CSA) has been made possible through the collective efforts of both data producers and providers from the County Government and various National Government Ministries, Departments, and Agencies (MDAs). This partnership has laid a solid foundation for the timely production of accurate and dependable data that aligns with the evolving needs of both data users and producers in future editions of the County Statistical Abstract.

I extend my heartfelt appreciation to H.E. Joshua Irungu, Governor of Laikipia County, for his unwavering support throughout the development of this publication. I also recognize the valuable contributions of the County Executive Committee Members, County Chief Officers, Directors, and all other staff members whose involvement was instrumental in the successful completion of this document.

I would like to especially acknowledge the team from Directorate of Economic Planning for their dedicated work and relentless commitment, which played a key role in ensuring the successful production of the 2024 CSA.

My sincere thanks go to the Kenya National Bureau of Statistics (KNBS), under the leadership of Director General Dr.. Macdonald Obudho, EBS, MBS for the collaborative efforts that greatly contributed to the realization of this publication. The Bureau offered essential technical assistance and took the lead in coordinating, consolidating, and validating the data.

A special note of gratitude goes to the County Commissioner, whose key role in overseeing data collection from National Government departments was greatly appreciated. I also acknowledge the efforts of departmental heads who provided timely input and actively participated in the review and validation of the data included in this Abstract.

A. Introduction

A.1 Overview of Laikipia County

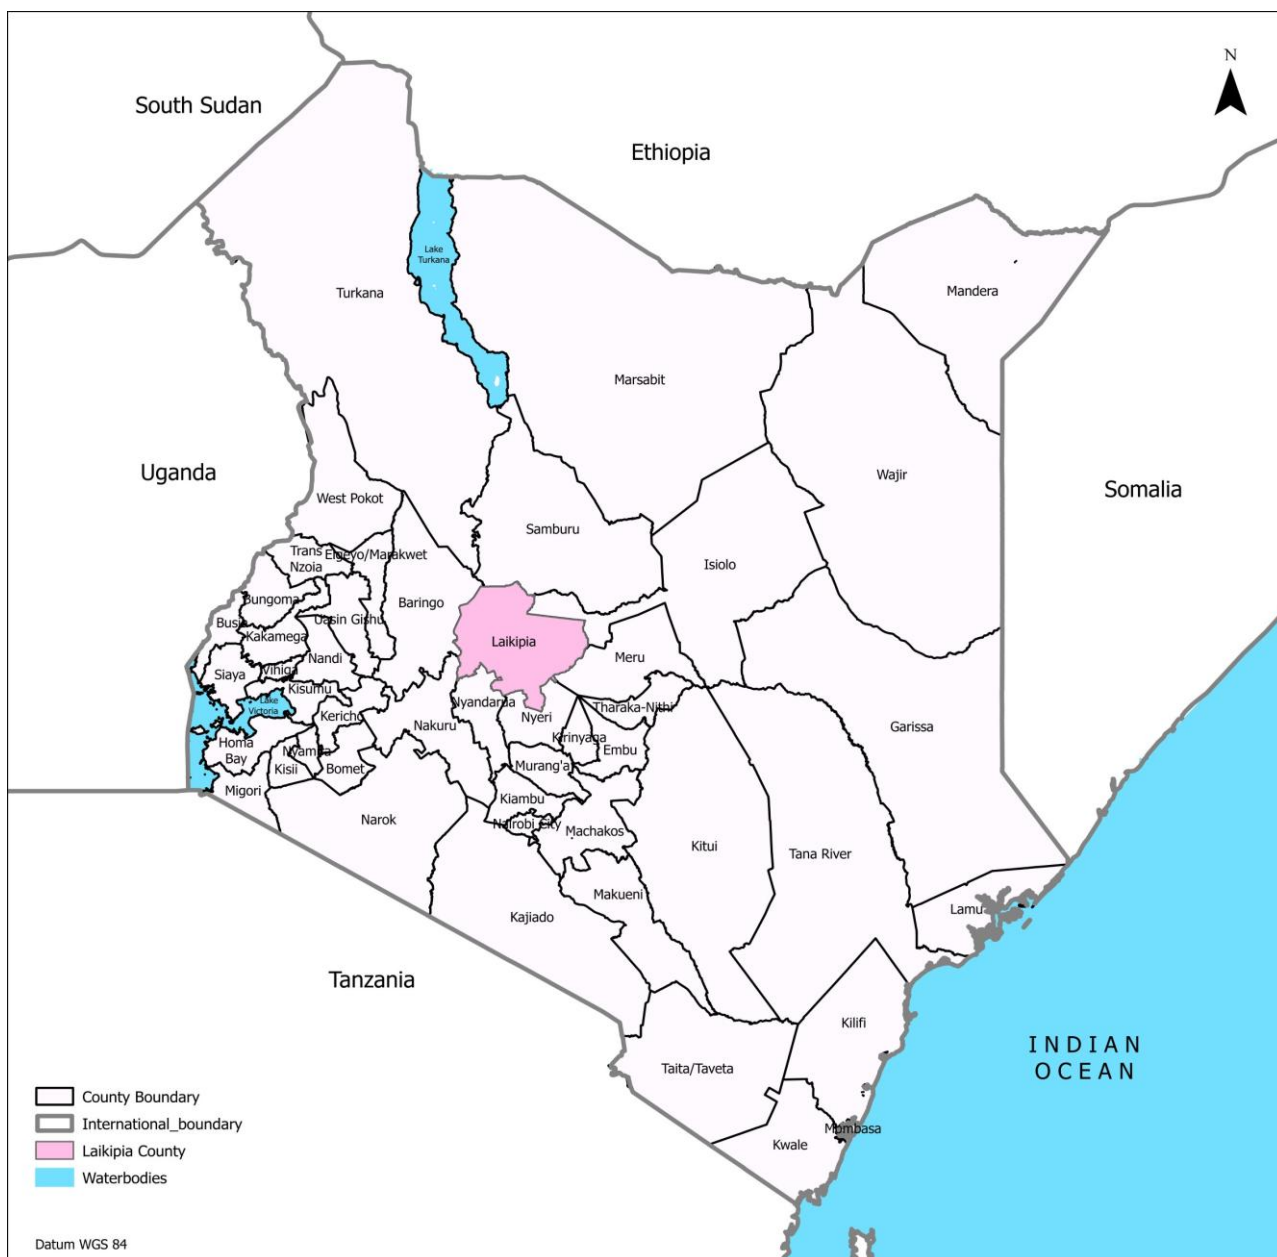

Laikipia County is one of the 47 Counties in the Republic of Kenya. “Laikipia” is a Maasai word meaning vast plains with pastures reflecting the large highland plateau. It borders Samburu County to the North, Isiolo County to the North East, Meru County to the East, Nyeri County to the South East, Nyandarua County to the South, Nakuru County to the South West and Baringo to the West. It covers an area of 9,532.2 km² and is ranked as the 15th largest county in the country by land size. The altitude of the County varies between 960 m above sea level at Ewaso Nyiro basin in the North to a maximum of 2,620 m above sea level around Marmanet forest. Due to its altitude and location, the county receives a relief type of rainfall which averages between 635mm to 1,210mm annually.

Laikipia County comprises of six Sub Counties namely Laikipia East, Laikipia North, Laikipia West, Laikipia Central, Nyahururu and Kirima. The Sub County headquarters are at Nanyuki, Doldol, Rumuruti, Lamuria, Nyahururu, and Olmoron respectively. The county consists of three constituencies namely Laikipia East, Laikipia North and Laikipia West which are further sub-divided into 15 electoral wards; five wards in Laikipia East, Six wards in Laikipia West and four wards in Laikipia North. The county headquarter is at Rumuruti town which is approximately 40 km due north of Nyahururu, on the Nyahururu-Maralal road.

The County is cosmopolitan with about 32 communities comprising of Maasai, Samburu, Rendile, Somali, Pokot, Kalenjin, Meru, Kikuyu, and Turkana among others. The county is largely rural in settlement and a member of the Central Region Economic Bloc (CEREB), Cooperation for Peace and Development Project (COPAD) and affiliated to the Frontier Counties Development Council (FCDC).

The main economic activities in the county include ranching, crop farming, dairy farming, tourism and trade. The main crops grown include wheat, maize, beans, potatoes and vegetables while the main livestock types reared include cattle, goats, sheep and poultry. Major tourist attractions in Laikipia include; wildlife, the unique Maa speaking cultural practices and the Thomson Falls. Proximity to Mt. Kenya, Meru, Aberdares and Samburu game parks have equally boosted tourism within the county through provision of hospitality services to the tourists. Most trading activities in the county are concentrated in urban centres of Nanyuki, Nyahururu, Rumuruti, Kinamba, Wiyumiririe, Lamuria, Doldol, Ol Jabet, Sipili and Naibor.

A.2 Overview of the County Government of Laikipia

Structure of County Governments

The Constitution of Kenya, 2010 was promulgated on 27th August 2010, providing for a two-tier government structure with one National Government and forty-seven (47) devolved County Governments.

County Governments consist of two arms, namely the County Assembly and the County Executive. The functions of County Government of Laikipia as stipulated in the Fourth Schedule (Constitution 2010) are structured within the 8 county departments.

The County Assembly

The legislative authority of county laws, general oversight of the County Government and representation of the people is vested on County Assembly. The County Assembly of Laikipia consists of 25 Members of County Assembly (MCAs) comprising of 15 elected MCAs from County Assembly Wards, 9 nominated MCAs (representing special interests such as persons with disability and the youth as prescribed by the County Government Act 2012) and the Speaker who is ex-officio. The head of the County Assembly is the Speaker, who is also the Chairman of the County Assembly Service Board.

The composition of the County Assembly for Laikipia County is as follows: -

Speaker (ex-officio)	1
Elected MCAs	15
Nominated MCAs	6
Total	22

The County Executive

The executive arm of the County Government comprises of the governor, the deputy governor, the County Executive Committee Members (CECMs) and the County Public Service. The County Executive Committee Members are appointed by the Governor with the approval of the County Assembly. The governor and deputy governor are elected by in a general election for a term of five years.

The County Governor and Deputy County Governor are the Chief Executive and Deputy Chief Executive of the county, respectively. The county is run by a County Executive Committee (CEC) consisting of:

- Governor
- Deputy Governor
- Eight County Executive Committee members
- County Secretary

The operations of the Executive are structured around departments headed by 8 County Executive Committee Members (CECMs). Under the CECMs are 13 Chief Officers who are the authorized and/or the accounting officers of the department.

The departments are: -

- Coordination, Administration, ICT, and Public Service
- Finance, Planning, and County Development
- Trade, Tourism and Co-operative Development
- Education, Sports, Youth, and Social Development
- Infrastructure, Lands, Public Works, and Urban Development
- Agriculture, Livestock, and Fisheries Development
- Water, Environment, Natural Resources, and Climate Change
- Medical Services and Public Health

KENYA NATIONAL BUREAU OF STATISTICS

VISION

Quality Statistics for better lives.

2.3 Agriculture, Forestry and Fisheries

Covers statistics related to agriculture, forestry and fishery. Includes agricultural monetary statistics (agricultural economic accounts), agricultural structures (farm structure), trade in agricultural products, crop and animal production, agricultural commodities, agro-industry statistics (including food production and safety), organic farming and organic food, products source and use tables, forest and forest product statistics, trade in forest products, fisheries.

Table 2.3.1: Agro-Ecological Zones for the County, 2019-2023

Zone	Description	Constituency/Wards	Dominant Enterprises
UH 2-3 (Upper Highland-Sub Humid)	Rainfall is over 1000mm/year. Temperature ranges from 19C to 25C. Soils are well drained, fertile with a lot of humic materials. Altitude is over 2100m ASL	Laikipia West: Igwamiti, Githiga	Dairy, Beans, Maize, Wheat, Irish potato, fish farming.
Low Highlands LH 1-5	Rainfall ranges from 700C to 1000mm/year and erratic. Soils are moderately well drained with less humic materials. Temperatures ranges from 15C to 25C. Altitude is between 1500-2100 M ASL	Laikipia East - Ngobit, Umande, Nanyuki, Thingithu. Laikipia West:- Igwamiti, Marmanet, Githiga	Maize, Wheat, Dairy, Beans, Fish farming, Sunflower, Barley
UM5 - UM6 (Upper Midlands Zones)	Rainfall ranges from 500mm to 700mm/yea and erratic. Soils are not well drained with less humic materials. Temperature ranges from 15C to 28C. High evaporation	Laikipia East - Segera, Nanyuki, Tigithi Laikipia West- Rumuruti, Salama Laikipia North- Mukogodo East	Beef farming, Sorghum, Hay, Millet
LM3 - LM5 (Lower Midlands)	Rainfall ranges from 400mm to 500mm /year. Temperature ranges from 15C to over 28C. Soils are shallow and poor in fertility. High evaporation. Altitude is around 1500m m ASL. High evaporation	Laikipia North- Mukogodo West, Mukogodo East, Segera, Sosian	Ranching, Beef farming and Sisal

Domain 5

Cross-Cutting Statistics

5.1. Information Society and Digitization

Covers work on statistics, indicators and frameworks to monitor digital transformation and the use and impact of information and communication technologies (ICT) on society. Looks at these topics in a wider sense than economic aspects, including well-being in a digital society. Includes work on internet use, internet application, information and communications technology trade, computer use, broadband connectivity, e-commerce, etc.

Table 5.1.1: County Access to ICT services by Indicators, 2019 - 2023

Indicator	2019	2020	2021	2022	2023*
Secondary Schools with Broadband Projects (Number)	11	11	10	10	10
